

Questions and Answers About North Dakota's Financial Responsibility Law

**Do I need to file proof of financial responsibility before I can obtain a pesticide certificate?
To help you answer this question, please consider the scenarios listed below.**

If you fit into category 1-8 below, please mark the circumstance that best applies to your situation, sign and date at the bottom.

- _____ 1. I am a consultant and will be making no pesticide applications.
- _____ 2. I am a dealer and make no commercial applications.
- _____ 3. I apply pesticides as an employee of a city, county, state or federal agency, municipal corporation, public utility, hospital, privately owned golf course, nursery, greenhouse or other governmental agency. **(Please circle which one)**
- _____ 4. I am a rancher who is required to obtain a commercial pesticide applicator certificate for controlling noxious weeds on leased federal land as a condition of a federal grasslands lease.
- _____ 5. I am a grazing association member required to obtain a commercial pesticide applicator certificate for controlling noxious weeds on leased federal land as a condition of a federal grasslands lease.
- _____ 6. I am required to be certified **only** in the right-of-way category.
- _____ 7. I am an applicator who holds a commercial pesticide certificate for controlling noxious weeds on grassland, land producing tame hay or other lands not devoted to the production of an annual crop.
- _____ 8. I am not currently applying/buying pesticides commercially. However, I wish to keep my examinations and training status up to date. Since I am inactive, I am choosing not to receive a certification card at this time. If I choose to become active in the future, I will update my Financial Responsibility form and receive a certification card at that time.

Will you apply pesticides by contract or for hire and/or engage in the business of applying pesticides for compensation to the land of another by aerial, ground, hand or any other equipment?

If you answer yes to this question, you must provide proof of financial responsibility to obtain a certificate.

You can do this by **providing the information on the reverse side of this page.** The law states:

Financial responsibility must be maintained in the amount of one hundred thousand dollars, and may be demonstrated by a notarized letter from an officer of a financial institution or from a certified public accountant attesting to the existence of net assets equal to at least one hundred thousand dollars, a performance bond, or a general liability insurance policy.

Financial Responsibility Form

Instructions: This form is valid **only** when completed by the commercial applicant.
This form must be submitted **before** the commercial pesticide certification can be issued.

North Dakota pesticide law (Chapter 4-35-09.1) requires that all commercial applicators submit proof of financial responsibility unless exempt from this law. *Financial responsibility must be maintained in the amount of one hundred thousand dollars, and may be demonstrated by a notarized letter from an officer of a financial institution or from a certified public accountant attesting to the existence of net assets equal to at least one hundred thousand dollars, a performance bond, or a general liability insurance policy. The performance bond or insurance policy must contain a provision requiring the issuing company to notify the agriculture commissioner at least ten days before the effective date of cancellation, termination, or other modification of the bond or insurance policy. If, at any time, a certified commercial applicator fails to maintain financial responsibility, his certification shall be automatically suspended.*
