

2002 Western Dakotas Agribusiness Day

Welcome to Hettinger, North Dakota and the first annual Western Dakotas Agribusiness Day

This day is the result of the collaboration of many people. The staff at the Hettinger Research Extension Center wants to take this opportunity to thank all who have contributed to the success of the program.

Sponsors of the event are the Hettinger Area Chamber of Commerce Agriculture Committee, the Adams County Soil Conservation District and MDU Resources. Without their generous financial contributions this program could not be held.

We also wish to recognize the presenters from North Dakota State University in Fargo, ND and South Dakota State University in Brookings, SD. Thank you also to Leif Anderson, Southwest Feeders Project Coordinator, Hettinger Research Extension Center who served as emcee for the day. We appreciate their efforts.

Special thanks also to Sandy Osborne in the NDSU Department of Agribusiness and Applied Economics for preparing materials for the presenters and to Terri Lindquist of the Hettinger Research Extension Center for coordinating the logistics of the event.

Also a special thank you to Ginger Lindquist for the long hours involved in preparing this document for publication.

Dan Nudell
Agricultural Economist
Hettinger Research Extension Center
