

2008 Annual NRM Spring Field Trip

April 16, 2008

NRM Students participated in the Annual Spring Field Trip. Dr. Jay Leitch headed the event and students had an opportunity to experience some of Minnesota's natural resources. They visited Dunton Locks, the Tamarac National Wildlife Refuge, Two Inlets sawmill, Hubbard County Recycling Center, MN DNR Division of Forestry and Division of Wildlife, and the Aho Dairy Farm.

Participants in the 2008 Annual Field Trip

Wild Mink

Two Inlets Sawmill

Getting a closer look at the sawdust at
Two Inlets Mill

Beaver Dam - Tamarac Wildlife Refuge

Measuring fish at Dunton Locks

Soda cans ready for
recycling

Hubbard County Recycling Center
